We believe that God has a great plan and purpose for your life and His plan for you is not to cause harm but rather to prosper you in all things, to give you hope and to give you a future in a world full of uncertainty.

Our prayer is that the God of all Grace will bring transformation into your life as you encounter His extravagant and unconditional love through the presence and power of the Holy Spirit .

A number of Life Groups are available at LWC with whom you can share and experience life.

Life Groups offer an environment in which you find unique connection and community, where you can build relationships that are not always possible on a Sunday.

Life Groups are a great way to get involved in church life, grow in your Christian walk, and provide opportunities for spiritual growth and deeper relationships. They run on different days and times throughout the week for about 2 hours.

The Sunday morning message from Senior Pastor Tony Williams is available in print for everyone. This message and Bible passages form the basis of discussions in Life Groups, which also creates synergy between the groups and reflect the “heart” of the house”.
